Welcome to East Padden Animal Hospital!

We are very honored that you have chosen us for your pet's care.

Mission: At East Padden Animal Hospital, we understand the power of the human~animal bond and the precious role that pets play in our lives. We believe that pet health requires a unique mix of education, science and human compassion. Our new hospital is a family owned business which is designed to provide the latest in diagnostics, medicine, and surgery with an emphasis on preventive health care and client education. Our unique services will make your partnership with us rewarding for both you and for your pet. You'll be delighted with the unprecedented level of tailored service at East Padden Animal Hospital!

Team: Each and every animal at our hospital receives personalized care from the entire team. Everyone involved with your pet pursues continuing education to keep current on the latest medical advances and techniques. We also embrace the issues and challenges of animal welfare and are proud to provide pro bono veterinary services to many community outreach programs.

Services: We are a full-service animal hospital. Some of our services include medical care, surgery, comprehensive dental programs, wellness consultations and vaccinations, preventative medicine, complete laboratory services, emergency care, and boarding. We work closely with many specialists and will assist you and your pet during the referral process. Our surgery suite contains equipment allowing us to constantly monitor patient body temperature, heart rate, respiratory rate, heart rhythm, blood oxygenation and blood pressure. We use only the safest anesthetic protocols at East Padden Animal Hospital. We treat each pet as if it were our own!

Facility: We offer a spacious and comfortable reception and waiting area, which reduces stress for your animal and allows for easy check in and check out. We have four exam rooms, allowing us to schedule and maintain timely appointments. Dedicated surgery, dental and x-ray areas, each filled with the finest equipment, allow for state of the art care. East Padden Animal Hospital has a fully equipped treatment area, recovery area with intensive care, oxygen cage capability, and an isolation area, for animals requiring special attention or observation. We are dedicated to protecting our environment by recycling as much as possible.

Office Hours: Monday, Tuesday, Thursday, Friday 7:30am to 6:00pm; Wednesday: 7:30am to 8:00pm; Saturday 7:30am to 2:00pm
